4		<input type="checkbox"/>	<input type="checkbox"/>		x
5		<input type="checkbox"/>	<input type="checkbox"/>		x

Read Before Signing:

By signing this release, you are granting the *American River Review* a non-exclusive permission to reproduce the material or an image of the material listed in the *American River Review 2008* edition, on an *American River Review* website, and in future advertisement of the *American River Review*. You agree that the above-mentioned material, if published, can be modified and/or altered as needed. You understand that your name will be listed as the owner/artist of the material, and verify that you own the material, and that this material is entirely your own work. If the work is directly copied from another artists' material such as photography, you must include permission from said artist with this form. You understand that this release is non-exclusive, which means that you can continue to publish or exploit the above material in any manner whatsoever, but without putting the *American River Review* in a liability position towards a third party. This release represents a full agreement between the undersigned and the *American River Review*, and it is a binding agreement. Note: Publication of submitted materials is subject to artistic evaluation.

By submitting this form, you are giving your consent to American River College for use of your art work in the *American River Review* and other college publications.

Biography:

Tell us about yourself, what you like, where you're planning to go with your education, and about your artwork and what it means to you. *Do not write about any one specific piece.* It can be funny or serious. Describe yourself and give us a glimpse of your personality. If your work is selected to be published in the book, your biography will be printed at the end of the *American River Review*. This biography will be edited by the English department, please keep them under four sentences.
