You've worked hard all semester, now win some dough

We love your work. And we want to show it off.

The Art New Media department is printing a second round of postcards and we'd love to have your art on our cards. Here's all you have to do:

1. Fill out the form on the back of this flyer and leave it in the folder at the instructor's station in the main Art New Media lab, room I27 on the main ARC campus.
2. Drop a digital file of your submitted artwork in the "ARTNM WIN DOUGH!" file in the server "Transfer" folder.
3. Wait to hear back – if your art is selected, it will be featured on a new printed postcard for the department. And you will win \$250 to spend as you wish at University Art.
4. Final judging will be handled by a juried pool of Art New Media professors.

Deadline: All art must be submitted by
NOON WEDNESDAY DECEMBER 19, 2007

Note: Any work is acceptable – from graphic design to illustration to screen shots of animation or web design – as long as the final file size is under 50 megs [please flatten Photoshop documents to one layer]. We are awarding a total of \$500 and will be printing two new postcards. Only digital media will be accepted. This contest is **ONLY** open to currently-enrolled Art New Media students. ANY QUESTIONS? PLEASE DROP A NOTE TO CLASS@MEHALLO.COM.
