

AMERICAN RIVER COLLEGE NURSING PROGRAM ARTICULATION GRID

LIST OF APPROVED NURSING PREREQUISITE COURSE SUBSTITUTIONS

Courses on this grid are approved as equivalent, comparable, or acceptable substitutes to the pre/co-requisite courses for the American River College Nursing Program. ARC courses appear at the top of this grid. Courses that appear on this grid DO NOT require course descriptions to be submitted with the Nursing enrollment (application) packet. Although every effort has been made to ensure the accuracy of this document, errors are possible. Final acceptance of pre-nursing courses will be determined by the Nursing department admissions committee. Additional information about the ARC Nursing Program requirements and enrollment process can be found online at <http://wserver.arc.losrios.edu/edhealth/nursing.html>.

This grid is a work in-progress and will be updated regularly.
