# BOATING ACCIDENT INVESTIGATION/RECONSTRUCTION

OFFERED BY THE CALIFORNIA DEPARTMENT OF  
BOATING AND WATERWAYS

**COURSE DESCRIPTION:** Boating Accident Investigation/Reconstruction is a 40-hour POST certified course for marine patrol officers with the ability to understand and practice technical accident reconstruction and accident scene management. Students will perform multiple investigations/reconstructions, become familiar with diagramming software and the navigation rules and operational laws as they apply to boating accidents. Students are required to complete an in-depth boating accident investigation report for the final exam.

**PREREQUISITES:** Completion of the Basic Boating Safety and Enforcement Course, one year actively engaged in performing boating law enforcement duties, and writing vessel accident reports.

A hand held calculator capable of figuring square root problems and a laptop with a current version of Windows is highly recommended for this class.
